GOVERNMENT OF INDIA.

No. 5360-EII/49. Dated,New Delhi the 26th October 1949.

From

C.S.Edward Esquire,
Assistant Secretary to the Government of India,

To

The Secretary to the Government of Bombay,
Public Works Department,
Bombay.

Subject:-Annual reportregarding the prospects of the officers of the Indian serivce of Engineers serving in the Province of Bombay.

Sir,

I am directed to refer to the correspondence ending with your letter No.2161/36-E(I),dated the 20th August 1949, on the above subject, and to say that the presumption contained in the Provincial Government's letter No. 2161/36-E(I), dated the 20th May 1948 is not quite correct. As the responsibilities previously exercised by the Secretary of State, in respect of Officers of his.....

his servises, have now been assumed by the Governor General, returns etc. which had been prescribed under orders issued by the Secretary of State, should continue to be submitted to the Government of India, unless the Governor General specifically orders their discontinuance. In this particular case, since all the I.S.E Officers serving in the Bombay cadre are now holding administrative posts, and as there are no reasons to believe that their prospects of promotion would have been better under the old cadre, as it existed prior to the reorganisation made in 1934, the Government of India have decided that the annual report prescribed in para. 3 of the late Industry and Labour Department's letter No.E.61, dated the 15th December 1934, may be discontinued. null

Yours faithfully,
